309 B. Is the Property, or a portion of it, preferentially assessed for tax purposes under the Open Space Act (16 P.S. §1194) et seq)
 310 (an Act enabling certain counties of the Commonwealth to covenant with landowners for preservation of land in farm, forest, water supply,
 311 or open spaces uses)? Yes No
 312 Note: This Act enables counties to enter into covenants with owners of land designated as farm, forest, water supply, or open space land on an
 313 adopted municipal, county or regional plan for the purpose of preserving the land as open space. A covenant between the owner and
 314 county is binding upon any Buyer of the Property during the period of time that the covenant is in effect (5 or 10 years). Covenants
 315 automatically renew at the end of the covenant period unless specific termination notice procedures are followed. When a breach of the
 316 covenant occurs, the then-owner is required to pay roll-back taxes and interest. A roll-back tax is the difference in the amount of taxes
 317 paid and the taxes that would have been paid in the absence of the covenant. The roll-back taxes are charged for each year that the
 318 Property was subject to the covenant, limited to the past 5 years.
 319 C. Is the Property, or a portion of it, preferentially assessed for tax purposes or enrolled in any program, other than Clean & Green and Open Space,
 320 that contains any covenants, subdivision restrictions, or other restrictions affecting the Property? Yes No
